

## Breaking News

Press Release: 27th March 2019

### **Breen, Fisher, Moffett, Moffett, McGarrity, Boyle and the list goes on!**

The entry list for the 2019 Wastewater solutions UAC rally is continuing to fill up with lots of quality crews and there are still two days left until entries close.

The organisers and sponsors of the event are delighted to receive these entries for the rally which is based in the Chimney Corner Hotel; not far from the centralised service area in the pits at the famous Dundrod Circuit.

The rally, only in its second year, has secured support from Wastewater Solutions, Antrim and Newtownabbey Borough Council and Lisburn & Castlereagh City Council and is shaping up to be a classic A talented array of top class crews will be competing over two days for the coveted Ulster Challenge trophy and other awards over two days on some of the best tarmac Northern Ireland has to offer.

Many other local entries have entered the challenging one day event over the same Saturday stages, so lots of action to enjoy.

Entries close tomorrow so if you are not in you are going to be sorry!!

Log on to Rallyscore and join us for a superb Easter extravaganza of motorsport.

This is great news for spectators, rally programmes will be on sale after the entries close and details of where you can get one will be posted on the event website [www.uaceasterstages.com](http://www.uaceasterstages.com)
